

Swanland Village Association
NEWSLETTER

Distributed FREE to every
household in the Village

www.swanland.info Spring No. 92

From the Chairman of the Village Association

A warm welcome back to the SVA Newsletter after a very difficult few months of lockdown and regulations that have affected us all. Hopefully the pandemic is more under control, and we can look forward to better times ahead. So many residents have enjoyed walking around the village,

and it has been a great way to pass on village news. The website www.swanland.info has kept you in touch with important issues as well.

The Swanland Village Association is an important asset to our village. Unfortunately, we have four committee members who have had to step down. Yvonne Dumsday who has given a huge amount of time to the SVA over many years and lately as Vice Chair; Angela Carpenter who organised the distribution of our Newsletters with great efficiency and hard work along with her husband Keith; Michelle Hopton, our Minutes Secretary, who also organises our Welcome packs for new residents (and is continuing to do so), and Julie Swift, who helped to look after our Business members. We send our grateful thanks to them all. We desperately need to fill these vacancies, and if you are interested then please contact me or any committee member who will be able to pass on more details. We work as a great team, and all for the benefit of our lovely village.

As always, we thank the volunteers who have valiantly carried on throughout these past few months. David and Christine Walker organised a very successful Litter Picking Day in April and the Gardening Group has been busy tidying up the pond area and will soon be planting up summer

bedding. I would like to say a massive 'thank you' to Mal Cracknell who has spent a huge amount of time over many years organising the hugely successful Open Gardens and heading the Gardening Group too. Now, as he retires, he will be able to spend more time in his own wonderful garden! Thank you to all our volunteers who work behind the scenes to keep our village a place in which we are all proud to live.

The constraints of the pandemic have made this year's Festival untenable but we hope the Festival will go ahead in 2022. Further information will be on the website or on the noticeboard by the pond.

Our **AGM** will be held on **Thursday 11 November 2021**

On behalf of the Committee I send best wishes to all our residents, and hopefully we can look forward to many happy times ahead.

Jan Rogerson 634 583

Our Vice Chair of the SVA Committee, **Yvonne Dumsday**, has now left Swanland and we said our sad goodbyes to her as she left for pastures new.

When Yvonne, Jim, and their daughter Millie, came to live in Swanland, they quickly immersed themselves in village life. Yvonne's massive contribution to the village can be seen on her leaving card, kindly collated and produced by Graham Latter. Yvonne worked incredibly hard in order to promote the village. Since 2000 Yvonne and I served on the Swanland Festival Committee, but when other members left, we both decided to run it together, with the

support of local groups. It was great fun but hard work, starting in September of one year to prepare for the next year's Festival. Thanks Yvonne for the all the fun of working as a team, with never a disagreement!

Yvonne will always be remembered for her enormous contribution to Swanland, not forgetting her indomitable spirit too! Her enthusiasm and determination endeared her to so many of us striving to involve local people in village life. As she lived so close to the heart of Swanland, local folk would pop in and out, often leaving things with her to pass on to others, - her hall always had an orderly queue of items ready for other folk to collect!

Her positive view on life made her very popular and she is an eternal optimist! There are never problems for Yvonne, only solutions! We will always be very grateful for the time and energy she gave to the village.

She will be missed so much by many of us but we wish Yvonne and Millie great happiness in their beautiful new home. We'll be keeping in touch and no doubt be meeting up.

Jan Rogerson

Fly tipping in Swanland

During the first lockdown there was a sharp increase in fly tipping, as many local authorities closed their waste recycling centres. However, even as sites have opened back up over the last year, there has been a continuation of a more long-term rise in the incidence of fly tipping.

Furthermore, large-scale fly tipping – defined as tipper lorry load or more in size – has doubled in the last six years.

Swanland has not been immune to this. In March a large-scale fly tip appeared on Mill

Road (picture above) and smaller amounts have appeared on the approaches to the village. For example sofa cushions on Occupation Lane, drain pipes on West Leys Road and other items on Tranby Lane and Swanland Dale. Please can villagers be vigilant, report any fly tipping immediately to EYRC to help ensure others don't add more and exacerbate the problem. Dispose of your own waste at the tip or use a licensed waste disposal firm and help keep Swanland a beautiful place to live.

Litter picking update

The winter and lockdowns saw an explosion of litter in every street and hedgerow. Items included facemasks, take-a-way cups and food trays as well as cans and bottles. The loan scheme of litter picking equipment to volunteers has continued to grow. This has contributed to a reduction in litter as hot spots are targeted more regularly.

The number of volunteers on the litter-picking rota around the centre of the village remains stable and this ensures that the centre of the village is kept clean.

Thirty volunteers attended the ‘Whole Village Litter Pick’ on 10 April. For the first time volunteers tackled the drainage ditch between the entrance to Humberdale Farm and the roundabout on Tranby Lane. This was in a disgraceful state. Hopefully next time we can make this a priority for our younger more able volunteers.

We are taking part again in the **Keep Britain Tidy Great British Spring Clean** and hope we can all be out in force to continue to keep Swanland a nice place to live and litter free.

This event is on Saturday 5 June. Meet at the pond at 10am to 12noon. Please put it in your diary!

A BIG THANKYOU to all the litter pickers of Swanland.

The Parish Council continues to support the SVA, providing funding for the sweeping/litter pick around the centre of the village.

If you are interested in joining the litter picking volunteers either on the rota or borrowing equipment, please contact:

Christine Walker: 637 085
email: cw@swanand.info

Swanland in Bloom

It is with a heavy heart, aching knees and approaching my 78th birthday I am giving up my role as organiser of Swanland in Bloom. I have been involved with SIB since 1999. Having worked for 41 years, the last 7 at a gold mine in Ghana, I retired from paid employment and applied to the Parish Council for an allotment in Swanland then at Colin and Elspeth Hotham's garden party we met the SIB team and we became involved in the blooming group.

In 2003 Swanland was invited to represent Yorkshire in the 2004 'Britain in Bloom' competition. I agreed to organise Swanland's entry and I have been organising SIB ever since.

We have a small team of volunteers who contribute to making Swanland a 'Blooming good place to Live' albeit they are now one person short! There is no heavy work to do just planting, weeding and dead heading and we usually have a good laugh! Please contact any member of the SVA committee or the gardening group if you would like to help.

Finally I would like thank all those people who have supported me over the years and send best wishes.

Mal Cracknell.

The Gardening Group

We would like to thank Mal for leading this group for so long and putting in so much work to improve the areas around the pond. The few of us who keep the beds around the pond tidy and planted up throughout the year will continue to do this as a group.

We thank **Deepdale Garden Centre** at **Barton** for filling the hayracks and delivering them to the village.

We do need more volunteers– it needn't be on a regular basis. We meet on a Tuesday morning about 9am (weather permitting). If you prefer to give a donation towards the plants that would be a great help too.

For more information please come and see us when we are working by the pond or email: newsletters@swanland.info

Swanland Pond Partnership

Water levels remain low in the pond due to the dry spell and we have recurring problems with algal blooms. As reed growth increases, more nutrients will be removed from the water which should improve water quality. As we had to postpone our spring maintenance day, we will be organising small working parties to tidy up certain areas. We will avoid areas where there are nesting birds.

We have waved a fond farewell to Yvonne Dumsday who has moved out of the village. Yvonne has made an incredible contribution to the Pond Partnership and the wider Swanland community over the years. She was one of the founding members of the Swanland Wildlife Group and the Pond Partnership and has been an invaluable committee member since the group's inception. She has always been a willing pond volunteer, whatever the weather and the task! Yvonne will be sorely missed by everyone, and we wish her well in her new home.

We need a new committee member to replace Yvonne and more pond volunteers to help with maintenance tasks.

If you would be interested in joining the team or want to find out more, please contact: *Alyson* on **634 168**.

Swanland Pond Leaflet – The quick guide

During lockdown, the SPP have worked with **Ewens (Graphics)** in Swanland to update the pond information leaflet. We are very grateful to **Ewens (Graphics)** for editing the original leaflet, free of charge. The leaflet is a quick guide, designed to give people an overview of the pond's history and the variety of wildlife that we aim to encourage, as we maintain and develop the pond in future years.

The original team who developed the leaflet and information board at the pond in 2009 did such a good job describing the pond's history and wildlife we did not feel it was necessary to change the whole leaflet. We did however want to highlight some of the more significant developments since 2009; namely the extensive reed re-planting and rain harvesting schemes to help improve water quality and the addition of the "Waters Edge" Community Garden in 2016. We have also added grey herons to the wildlife guide as they are now regular visitors to the pond. Herons may not

be the most popular bird in the village, particularly if you have a fishpond, but they are impressive, interesting birds to watch as they patrol the margins of the pond searching for fish.

As the leaflet explains the origins of the pond are unknown. It is possibly a ‘dew’ or natural pond existing from Roman times, used by the earliest residents and their stock, or a man-made ‘marl pond’ dating from the eighteenth century. The washing and watering of cattle and horses by farmers or farm hands, and later the taking on of water by traction engines occurred regularly until the 1940’s. Changing agricultural practices ended the pond’s working role as wildlife and leisure pursuits took over.

Today, the pond continues to provide a beautiful focal point at the centre of the village. Although we still have problems with water quality and leakage from the pond, it remains a haven for emerging plants and wildlife. The water may be very murky at times, but it is home to a thriving community of invertebrates such as water fleas, water slaters, midge larvae, worms and leeches. These are important organisms in the pond’s ecosystem, as they provide food for beetles, dragonfly larvae, fish and wildfowl. Whether you like to see the black whirlygig beetles zig zagging around in the water or a swift skimming across the water to feed and drink, they all have their roles to play in the pond’s ecosystem. We too have a responsibility to do what we can, to protect and maintain it as a wildlife habitat.

We are grateful to all the SVA volunteers who look after the pond throughout the year. Whether you are a litter picker, a pond volunteer helping to manage the planting within the pond, or a member of the gardening group tending the surrounding landscaping and borders we are incredibly grateful for the time you give. Your efforts make the pond a special place for everyone to enjoy.

If you are a newcomer to the village, you should receive a pond leaflet in your welcome pack. They are also made available, free of charge, at the heritage centre, village hall and other special events.

Alyson – SPP Secretary

Swanland Tennis Club

Our friendly club has excellent Covid secure facilities including 5 all-weather courts - all with floodlights which can be booked via our online court booking system. We have informal mix-in sessions (pre booked only) **Sunday and Tuesday mornings (10am onwards)** and **Monday and Thursday evenings (6pm onwards)**. Tennis balls and floodlights are provided free at club sessions.

We also have a range of teams to suit all, and tournaments and social events throughout the year when regulations allow. New members are offered a ½ hour free coaching session with Teo Arkut, our club coach. Teo also organises group and private coaching sessions for all ages and abilities all year round.

To join please follow the membership link www.swanlandtennisclub.com or contact the club representatives below.

If you would like to arrange to use the courts for a free trial session this can be done through the club contacts:

Teo: **07890 783 807** teotennis@hotmail.co.uk or

Simon Lee: **07872 403 880** swanlandltcsecretary@gmail.com

Swanland Show

At the time of writing, we are uncertain as to whether or not the show will run this year. It all depends on the government's continuing easing of restrictions and what those restrictions will be.

It would be lovely of course, to run the show, if we are permitted to do so and therefore a decision will be made later in June.

The best way to keep up to date with future plans and announcements is to visit the show website swanland.btck.co.uk or follow the Facebook page.

Sarah Hayden

Swanland Bowling Club

New Players Needed

Swanland Bowling Club is pleased to be back bowling on their green in the middle of the village. The club has a membership of 40 bowlers but would love to see many more people from the village taking up the sport.

During the pandemic we all learned the value of physical activity and being outside in the fresh air. Bowls provides competition, friendship and exercise.

We have many new housing developments in Swanland. If you have just moved into the village, or have lived here for many years and want to take up a new interest, have a go at bowls. We will provide coaching to get you started. We play in a dozen local leagues and we also provide opportunities for social bowling.

Give us a call and we can set up an opportunity for you to have a go:
Peter Dickinson **634 309**

Swanland WI

With the government road map moving forward and Covid-19 restrictions beginning to be relaxed, Swanland WI is hoping to be able to meet in person again soon. We are a very friendly lot and you are very welcome to come along and spend time with us, but please contact us before visiting to check that we will be open at our usual venue and/or what activity will be taking place. (Just in case we are out on a trip or haven't resumed meetings for any reason). Ladies of all ages are very welcome and you may come as a visitor for a few times first if you wish.

We meet on the first Wednesday of every month in Christ Church Hall by the pond at 7.30 p.m.

For further details: www.swanland.info and look under 'organisations'
email: swanlandwi@eastyorkshirewi.org.uk
or contact: *Julia* on **07786 130 279**

Community Spirit

Swanland is often praised as a pretty and well-kept village but this does not come about by magic. Organised (and unpaid) groups such as the Village Association, Gardening Group, Pond Partnership Group, Litter Pickers, Watering Rota, Neighbourhood Watch and the Village Hall Trustees all freely give their time.

There are also many unsung volunteers - residents who quietly contribute by planting their front gardens and verges with floral displays. Mr. Calvert on West End always has a wonderful display and there are many more around the village. Last, but not least, the ladies in the library – they are not volunteers but are always helpful, cheerful and smiling and an asset to the village.

How about doing your bit to enhance our village? It need not take a lot of time or need much physical effort – just e-mail website@swanland.info so we can point you in the right direction.

Swanland Village Hall

The good news is that gradual reopening of Swanland Village Hall is underway. Hopefully by the time you are reading this

many of the activities will have restarted. This has been a very busy period, making sure we apply the Covid restrictions correctly.

Many of the Trustees have moved on and we have now to replace them. The Village Hall needs people who can bring their practical life experience, people who can take on roles like supervising the maintenance of the Hall, looking after the Facebook Page and Twitter Account, or keeping our profile high in local publications.

If you could help in your community please contact:

Neil Bowerman. Chair Swanland Village Hall Trustees. 07545 613 429

Email: **NB@swanlandvillagehall.info**

Website: **<https://swanlandvillagehall.info>**

Facebook: **<https://www.facebook.com/Swanland-Village-Hall-455218184575859/>**

We have a lovely selection of baby and children's clothing from newborn to 10 years.

We also have gifts for everyone, gifts for the home, baby nappy cakes and lot's of sweet treats.

Membership Secretary's Report

Membership this year is well down on previous years. This is understandable, considering there has been so little socialising going on. However, if you have not yet renewed for 2021, please consider that the work we do does go on, despite the lockdown(s). Details are on the back page – only £2 per person.

Do please remember that **Yvonne Dumsday has now left Mere House**, so membership applications should **not** be put through that door.

Please take or send to:

Louise Macfarlane, 15 Mill Rise, Swanland, or put through the door of **David and Christine Walker, 3 Holgate Place, Swanland** (opposite Cherubs shop).

Christ Church – by the pond

Christ Church is now open for Sunday Morning Services. Only 17 people can attend to comply with the Covid-19 Risk Assessment. Anyone wanting more details of Sunday Morning Worship or of the online provision should contact:

Rosemary Short (senior steward) **633 457**

Roy Kennington (church secretary) **631 424**

Linda and John White, who have lived in Swanland for many years, have decided to move from the village to be nearer family and grandchildren.

They will be particularly missed as members of the fellowship at Christ Church, as they were both involved in so many aspects of the life of the Church. We are very grateful for all the time they gave to helping to keep the Church running smoothly over a very long period of time. Their input was far reaching in so many village organisations and they will leave large gaps to be filled.

We wish them happiness as they settle into new surroundings in Somerset where they will be nearer to their son and daughter's families. We hope that they will find the fellowship that they shared with us all in Swanland in the local community there. May God bless them both.

Open Garden

Although there is no organised **Open Gardens** this year it is hoped to open at least one private garden sometime in **August**.

Details will be put on posters around the village and the village website.

From Yvonne Dumsday

Thanks to Swanland.

Twenty four years ago the Dumsday family moved into Swanland and all three soon became involved in village activities because this was such a warm, friendly, welcoming place to live. Since daughter Millie moved out and husband Jim died, Yvonne has been more than happy to stay in such a caring community but circumstances change and, with great regrets, Yvonne decided that now was the time to take the big step to move back to her roots in Hebden Bridge.

The deed is done and Yvonne would like to use the *SVA Newsletter* to thank everyone in Swanland who made the time here such a fulfilling, interesting and rewarding almost quarter of a century. She will never change her opinion that Swanland is the friendliest and most pleasant place in which one could choose to live.

‘Thank you to you all’.

Published by Swanland Heritage Centre

During our extended ‘closed season’, Ian Macfarlane has been busy editing a revised version of *Down Memory Lane: Swanland in the early 1900s* by **Elizabeth M. Dyson**. All 200 copies of the September 2020 Issue sold just before Christmas.

This revised 2021 Issue (still £5) is now available from *Ian* on **632 800** or *Janet* on **633 286** or via the ‘Contact us’ facility in the ‘About us menu’ on our webpage at <https://swanlandheritage.info/index.html> This is constantly updated with information and additions to our collection of over 3,000 photographs.

Swanland Neighbourhood Watch

Gardens, sheds, garages and driveways: be careful not to leave tools, gardening equipment, toys, bikes, scooters, barbeques etc. unattended in front gardens and accessible back gardens, on drives or in open garages. Items are regularly taken as ‘scrap’ by people driving round the area in vans.

Scams: numerous scams are operating via email, text message, telephone and by post. Recent ones include Inland Revenue/National Insurance claims; excess postage payments for parcel deliveries; letters claiming to be from the Chartered Trading Standards Institute with a ‘creditors debt form’ as part of a bogus insurance compensation scheme; Covid-

vaccinations/Track and Trace; TV licences; and ‘compromised’ bank accounts. Fake websites for holiday bookings/insurance and festival tickets are also operating. Never be rushed into responding to unsolicited messages; if in doubt check with **Action Fraud: 0300 123 2040** or **www.actionfraud.police.uk**

For information on Swanland NHW contact Deborah Parry: **632 576** or **dparry@inbox.com**

Planning Update May 2021

The proposed Westfield Farm Development: Gladman Development applied for planning permission two years ago, which was refused by ERYC. Last year (2020) they tried again and this was also refused. Then they appealed to the Planning Inspectorate and after an inquiry the Planning Inspector allowed the appeal, much to everyone’s surprise including ERYC who thought they had a good case.

Many who read the Inspector’s decision thought it had flaws and it seems ERYC agreed (it can only be disputed on a point of law) and have appealed to the High Court. It will be many months before the appeal hearing so the development is at least delayed by up to a year or beyond. Updated news will be posted on the village website.

A key element in the appeal report was that ERYC had failed to meet its target for ‘affordable homes’. These are assessed on a countywide basis and it apparently discounted the fact that Swanland is over-subscribed already.

Although national government puts pressure on local authorities to provide millions more houses, there seems no need to claim green field sites as there are acres of brown field sites available. Gladman boast on their website that they are the UK’s most active and successful land promoter.

Other Developments

West Leys and West Wold should be about complete by the end of this year adding 156 houses to the village – and more traffic using the roads to Ferriby – ***No problem say the Highways Dept.!*** A further 8 houses are being built off *Easenby Close* – these were not envisaged in the local plan.

Any comments are welcome on the village website: **www.swanland.info**

Swanland u3a - moving forward

We have offered old and new activities over lockdown. Walking is always popular; the ‘Creations’ and ‘Discovery’ sections on our website are new spaces for members to share their interests whilst our Thursday lectures have continued on Zoom together with other meetings such as the ‘Drop In’ where

members can meet online to keep in touch.

Zoom enables us to offer a variety of experiences and speakers. We shall be hosting u3a members from Yorkshire on our **Special Event Day on 20 May** - firstly to view a presentation by Simon Seligman on Chatsworth House then to enjoy a concert by folk duo ‘Fools Gold.’

National u3a Day is on 9 June when the aim is to build our movement. Our contribution is a Zoomed meeting on ‘Positive Ageing’ with local and national speakers plus representatives from community groups.

If you would like to join the u3a email: **memsec@swanlandu3a.org.uk**

Mires Beck Nursery at North Cave

Following a disappointing 2020, this year has got off to a much more positive start. A limited number of service users have returned in closely controlled bubbles, and we’re busy delivering plants to a large number of garden centres across Yorkshire and Lincolnshire. We have over 300 species of herbaceous perennials, more than fifty herbs, and vegetables too. We’ve opened a new retail hut with bulbs, gifts and a large range of Mires Beck branded souvenirs such as mugs, rulers, pencils, fridge magnets and keyrings.

Our Retail Hut

We’re open to the public from 10am till 4pm every day.

June in Bloom

This year, we're replacing our annual family day with a two day event called June in Bloom. There'll be live entertainment, refreshments, demonstrations, woodland walks, kids games, tombola and special offers on selected plants.

For details of all events taking place at Mires Beck:
www.miresbeck.co.uk

SEAT - Providing Care, Education and Hope

We have continued to provide financial support to both schools who have maintained teaching and supporting their students as best they can through the pandemic. Both schools are now back fully open and almost all of the Year 8 cohort was able to sit their exams for entry to High Schools. They have all performed amazingly well with 33 from Esther's School and 15 from Swanland School gaining the required marks to progress. 12 of those at Esther's school will get the chance to attend the best national schools in Kenya. This is an amazing achievement for children from the very poorest of backgrounds. **We have a bursary fund that seeks to support the students in the transition to High Schools** with their initial costs for uniforms, initial school fees and text books. It's an important part of our support and our final opportunity to launch them in their development!

There's no greater gift we can give these students than education and providing them the opportunity to reach their potential.

To support them please contact Richard Swain at **richardmswain@gmail.com** 634 306 or give securely online via our website: **www.swanlandschoolnairobi.org**.

Christ Church Food Bank Donation Point

Although we cannot accept food donations at Christ Church the foodbank in Hull is asking for donations of money. The way to do this is to go to the website **hull.foodbank.org.uk** then to the Give Help page and Donate Money. Cheques by post are also welcome. Make the cheque payable to **Hull foodbank** and send to: Hull foodbank, Jubilee Central, King Edward Street, Hull. HU1 3SQ.

Jamie Loncaster Memorial Fund at CRY

We had to cancel our screening sessions last year and our annual coffee morning. Sadly, our March screening event had to be cancelled too, but we hope that CRY will be able to run our October session as planned. Please check our social media feeds and website www.jamieloncaster.co.uk for notifications.

The three **defibrillators** in the village (Swanland Park, Swanland Village Hall and St. Barnabas Church) have had winter checks and are still kindly looked after by nominated guardians, with weekly checks made. Please don't be afraid of using a defib (AED) – you **CAN'T** kill someone with one, but you might save their life! Cabinet access codes will be given to you by the 999 call handler.

We hope to be able to host our coffee morning in November, so look out for updates in the next issue!

Thank you for your continued love and support as always.
