

Welcome to Swanland!

Your Village Association welcomes you to our village and hopes you will be very happy here.

Swanland Village Association exists to encourage residents to work together to maintain and improve the quality of life in our village. Details of the committee are on the village website and in the newsletters.

Enclosed is our latest newsletter. We produce and distribute two newsletters each year, free to every household in the village.

The gardening group maintain communal flowerbeds and planters around the pond. In the summer volunteers undertake daily watering duties. This ensures a fantastic floral display throughout the summer.

Members of the pond partnership maintain the pond including water quality and cutting back of the reeds.

A group of volunteers litter pick the area around the village centre weekly. In addition whole village litter picking events are held three times a year.

Swanland Festival is held every two years and includes a wide variety of events.

Swanland Open Gardens is also held every two years.

The Association has strong links with Swanland Parish Council, the Village Hall and numerous other groups, all listed on the website.

Other items in this Welcome Pack include an up to date map of the village and details of village organisations and facilities.

Why not support your village? Membership of the Village Association is just £2 per year per adult, and an application form is enclosed.
